Northeast Alabama Entrepreneurial Center

1400 Commerce Blvd.

Anniston, AL 36207

11:00am – 12:00pm

The Entrepreneurial Center is a business incubator. A business incubator is a building in which start-up companies locate during their initial growth phase which can range from one to five years. They receive mentoring, networking and publicity opportunities, access to equipment, and referral to professionals in order to help ensure their success before they move out to their own facility.

The goal of a business incubator is to increase the development and success of small businesses. It has become a widely recognized successful economic development tool for many communities across the nation. When put together with large industry recruitment, you have a great recipe for successful economic development. To learn more about the Entrepreneurial Center and its opportunities, please register for the workshop.

There is no cost to attend.

To register for the workshop, call the Entrepreneurial Center at (256) 831-5215

Plan to arrive at least 15 minutes prior to the scheduled workshop.

The SBDC at Jacksonville State University is a member of the Alabama SBDC Network. Funded in part through a Cooperative Agreement with the U.S. Small Business Administration. Reasonable accommodations for persons with disabilities will be made if requested at least two weeks in advance. Contact Suzi Donaldson, JSU SBDC 700 Pelham Road North, Jacksonville, AL 36265 256.782.5271
