Selling to the federal government can be a complicated and frustrating process. Working with a Small Business Specialist can help simplify the process. Each federal agency has a small business program and many have a Small Business Specialist who serves as a liaison between the agency and the small businesses who want to sell to that agency. The presenter for this two hour program is the Small Business Specialist at Fort Rucker, Michael Faire.

There is no charge for the program. Please complete the registration information below and return to our office at [mstephen@troy.edu](mailto:mstephen@troy.edu) or fax (334)670-9740. For more information call (334)674-2425.
