The DLA Internet Bid Board System (DIBBS)

Join us for a **Free Webinar** on how to navigate **The DLA Internet Bid Board System (DIBBS)** led by Kevin Scoles, Small Business Specialist of DLA Land & Maritime in Columbus, Ohio.

Wednesday, February 26, 2014 (*Webinar begins promptly at 1:00 p.m.*)

The Defense Logistics Agency (DLA) is America's combat logistics support agency, providing our armed services with a full spectrum of logistics, acquisition and technical services, including nearly 100 percent of their consumable items (ie: food, fuel and energy, uniforms, medical supplies, construction and barrier equipment) and more than 85 percent of the military's spare parts. If it were a private company, it would be ranked in the top 15 percentile of the Fortune 500, based upon sales and revenue in FY 2013.

DLA's Internet Bid Board System (DIBBS) is your entry to this powerful customer.

Eighty-five percent (85%) of DLA's solicitations are automated via DIBBS. Being knowledgeable about the system will allow your company to access more business opportunities, making it easier to submit quotes, view and download drawings, and compete for long term contract opportunities.

Join us at the Small Business Development Center (SBDC) and Procurement Technical Assistance Center (PTAC) to view the webinar. Afterward, we will discuss what has been learned and address questions specific to YOUR business, so that you can develop the most effective approach to DIBBS to maximize your opportunities with DLA.
