Have you ever considered doing business with Government agencies? Being a Government contractor? Wondered how to get started in Government contracting and what all is involved? Don't know where to begin?

This presentation will introduce you to the world of government contracting. Participants will be informed of the necessary information to seriously consider and decide whether they want to pursue government contracting with their businesses.

Services provided by the Alabama Procurement Technical Assistance Center (PTAC) will be discussed, with emphasis on the government contracting process and how PTAC supports their clients with pursuing government contracts.

Our speaker is Pamela Harris, Procurement Specialist for the Procurement Technical Assistance Center in Birmingham (PTAC). She has years of experience as a government contracting proposal manager and small business consultant. In addition, she is a Certified CVE Verification Counselor with the Department of Veterans Affairs.
