

AUSTRALIA AEROSPACE & DEFENSE

Australia is the 2nd largest market for U.S. defense exports (following only Saudi Arabia). Australia has been a lucrative market in the past, and there is more spending forecast for the future. Dr. Doug Hartley, Commercial Specialist, U.S. Department of Commerce, US Embassy, Canberra, Australia, will provide an overview of this dynamic Australia Aerospace & Defense Market.

April 4 • Registration | 11:30 a.m.

Program | 12:00 - 1:00 p.m.

Raytheon • 401 Jan Davis Drive • 35806

Join NAITA and the U.S. Commercial Service for the unique opportunity to hear from a Commercial Specialist on the ground in Canberra. One-on-one meetings with our speaker will also be offered following the program. Cost is \$15 including lunch. Please contact NAITA to schedule an appointment or indicate your interest on the meeting registration form.
