State tax obligations can sometimes confuse business owners. Licenses, sales tax, property tax, withholding tax, etc. – business owners are responsible for many details. To make that task easier, the Alabama Department of Revenue (ADOR) invites business owners to come learn the “B.E.S.T.” ways to handle state taxes at ADOR’s free Business Essentials for State Taxpayers Seminar.

ADOR specialists conduct B.E.S.T. Seminars, which include a brief but comprehensive overview of Alabama’s business taxes, the business owner’s tax obligations, and the forms and business licenses that are required, as well as information about Alabama’s ONE SPOT, a free Internet filing and payment portal that allows business taxpayers to file and pay state, county, and city sales, use, and rental taxes all in one place! The B.E.S.T. Seminars help new business owners navigate through unfamiliar tax complexities while updating current business owners on tax law changes.

While there is no charge to attend the B.E.S.T. Seminars, reservations are required to ensure adequate space is available. B.E.S.T. Seminars are approximately two hours long plus additional time for questions and answers. Please plan to arrive at least 15 minutes prior to the scheduled seminar.

To make your reservation, call Joyce Breland 205-759-2571 ext. 6224 or [click here to RSVP online](#). You will receive an email confirmation if you RSVP online.
