Federal Business Opportunities, also known as Fed Biz Ops or FBO, is the primary site to view Federal Government Procurement Opportunities valued at over \$25,000.

In this video-based workshop we will cover:

- How to access FBO
- The general navigation of the FBO system
- How to search for opportunities using quick searches
- How to leverage the advanced search functionality
- And much more

Seating is limited! [Click Here to Register Online.](#)
