This event is open to any business that would like to learn the latest information from NASA as well as how to do business with Keesler AFB, Ingalls Shipbuilding, Rolls-Royce North America, and other industry partners.

Presentations are provided to increase awareness of business development to engage in government contracting as well as increase the opportunities for small business success.

Small businesses are encouraged to bring their capability statement and participate the networking sessions.

Cost to attend is \$20 per person. Pre-registration and payment is required before confirmation of your attendance. Lunch will be provided. The event will start with check-in from 8:30 am—9:00 am. Opening remarks will begin at 9:00 am and the event will conclude at 2:00 pm.
