Opportunity Matchmaker

Face to face capability briefings with government agencies and prime contractors are very hard to come by! It could take months or years for small businesses to get their chance due to the heavy work load our agencies have and the volume of marketing information they receive from interested small businesses on a daily basis.

This is your chance! During the event, you will be able to sit down with at least 10 of the 33 government agencies/resources we have confirmed to attend.

Send Lindsay Frey an email letting her know you plan on attending. Most appointments are full, so at this point, please be there at 8:00 and we will fit you in when possible. The email address is lsfrey@jsu.edu.
