

Southeastern United States-Canadian Provinces (SEUS-CP) Alliance 2018 Annual Conference

MOBILE, ALABAMA | JUNE 3 - 5

Broaden Your Access to Global Business & Resources

SEUS-CP will feature 3 sector-specific programs on transportation (automotive, aerospace, shipbuilding), energy and ICT. Numerous activities including networking events and business-to-business (B2B) meetings will allow participants to engage with Canadian and southeastern United States government officials, key industry players, and new and existing customers.

Conference Details:

Conference Hotel: The Battle House Renaissance Hotel & Spa, located at 26 North Royal Street. A preferred conference rate of \$155.00/night is available to attendees until May 6, 2018.

Registration: \$350.00 USD includes conference activities, networking events and pre-arranged B2B meetings.

B2B Meetings: Profiles are required for delegates to participate in the prearranged B2B meetings with conference "anchor companies" and fellow attendees. You will create your profile at www.seuscp.com, and expect a follow-up from Market Access International.

Who Should Attend:

The SEUS-CP alliance annual conference is a dedicated trade education and business matchmaking event for **international and domestic businesses and investors; economic development professionals; state and local government officials; and entrepreneurs and academics.**
