JSU School of Business  
and Industry Complex  
115 College St SW  
Jacksonville, AL 36265  
Room 115

**Please respond by  
Friday October 4,  
2019**

So many government contracts require bonding! Even as a subcontractor, the prime contractor will require bonding on the portion of the project you cover. Please join us as Brad gives us a better understanding of what options you have for business insurance and bonding requirements specifically related to government projects.

**Simply reply back “attending” to this email if you are going to participate. You are welcome to call me with questions, but PLEASE send an email response also! This is how we keep up with registrations.**
