***Who better to “live” the American Dream of business ownership, than those who have defended that dream through military service.***

Boots to Business is a two-day entrepreneurial education and training program for ALL active duty, reserve, and National Guard military service members, veterans, and their spouses offered by the U.S. Small Business Administration (SBA) as part of the Department of Defense’s Transition Assistance Program (TAP).

The curriculum provides valuable assistance to service members, veterans, and spouses exploring business ownership by leading them through the key steps for evaluating business concepts and providing the foundational knowledge that is required to develop a business plan.

Don't miss out on this opportunity,
