*Are you a local small business in the area interested in bidding on construction and construction related projects for the new Regional Courthouse in Anniston?*

Some of the capabilities needed are site prep, electrical, plumbing, HVAC, general construction, steel, painting, drywall, and cleaning!

Downtown Anniston is getting a brand new 63,000 square foot U.S. Regional Courthouse worth \$42.6 million! BL Harbert has won the contract for the new courthouse and is actively looking for local small businesses in the area to satisfy a large portion of the project. The Alabama PTAC at JSU and the Calhoun County Chamber of Commerce and Visitors Center invite all local *Construction and construction related local small businesses*, to join us on Thursday August 15, 2019 at the Calhoun County Chamber of Commerce and Visitors Center to learn more about related opportunities for YOUR business.

During this event, there will be briefing on the project itself and a review of the Vendor Due Dilligence Questionnaire required to be completed by all interested parties. Afterward, we will have local business insurance and bonding agencies available to speak with you about satisfying these requirements and local lending institutions available to speak with you about your project financing options.

To reserve your spot or for questions, please contact Lindsay Frey 256-782-5322 or [lsfrey@jsu.edu](mailto:lsfrey@jsu.edu).

This procurement technical assistance center is funded in part through a cooperative agreement with the Defense Logistics Agency. The University of Alabama Serves as the host institution.

Reasonable accommodations for persons with disabilities will be made if requested at least two weeks in advance.
