Introduction to Government Contracting Workshop

March 21, 2013

10:00 a.m. – 12:00 p.m.

Demopolis Chamber of Commerce

102 E. Washington Street, Demopolis, AL 36732

Registration is FREE! To register please fill out the registration form on page 2.

1. Introduction. We will deliver a two-hour workshop to introduce existing commercial businesses to the world of federal contracting. Our presentations will provide participants with the necessary information to seriously consider and decide whether they will pursue federal contracting with their businesses.
2. Our speaker is Jerry D. Ellison, State Program Manager for the Alabama Procurement Technical Assistance Center (PTAC) program who has years experience as a government contract business developer, contracts manager, and small business consultant.
3. Time will be afforded at the conclusion of the workshop (within the 2-hour schedule) for interested businesses to sign up as clients and schedule initial counseling sessions with PTAC counselors.

Topic	Description
Introduction	Cover the purpose and main topics of the workshop
Benefits of Government Contracting	Talk about the funding used towards government contracting
Disadvantaged Groups	Summarize the types and benefits of getting certified as a disadvantaged business
Getting Registered	Discuss the steps of getting registered in the System for Award Management (SAM) to do business with the federal government
PTAC Assistance	Introduce the PTAC programs of assistance available
Finding Government Business	Discuss the use of FedBizOps and discuss the Business Development module available periodically throughout the year
