US Census Bureau's "New" Census Business Builder

Are you looking for data to help you start or expand your business? The *Census Business Builder* is a special database designed to provide specific types of data; demographic and economic.

The program provides up-to-date information directly from the Census Bureau.

Key Features:

- Determine feasibility for the type of business and business location.
- Interactive map to assist in identifying business opportunities w/ comparisons to neighboring areas.
- Computer generated report which shows business county and city level (including trend charts).

March 31, 2016 - 9:00 AM - 11:00 AM

This Event Is Free of Charge — Registration Required—Seating Limited
