WHEN

Friday April 27, 2012 8:00am – 12:00 Noon

WHAT

AS9100 EXECUTIVE OVERVIEW

The AS9100 Executive Overview course is designed to give you a better understanding on implementing and meeting the requirements of the Aerospace Quality Management System. The course will cover the critical subject matter of Essential Principals for Implementation, Key AS9100 requirements, Continuous Improvements and cost reductions.

The speaker will also field questions about common misconceptions, approximate cost, and provide info on how AS9100 can add value to the business and increase customer satisfaction.

GUEST SPEAKER

Michael Shelton

President of CI Concepts

Mr. Shelton has over 25 years of experience in quality and continuous improvement Programs. Michael's initial training was in the early 80's with Juran on Quality Improvement and Shewhart Statistical Control, and was a part of one of the initial ISO 9000 implementation programs. Michael has a BS in Materials Engineer, a Masters in Business and is a Lean Six Sigma Master Black Belt. Michael has also been part of many AS 9100 Programs since its inception in 1999.
