## SESSION I- NASA MSFC Source Evaluation Board (SEB) Overview

Wednesday, April 27, 2016 – 8:30 AM – 12 NOON

This class will provide attendees with information on what goes on “in the basement”. Earl will include an overview of both the NASA MSFC SEB process and the organizations involved. Special emphasis will be given on how to develop and maintain the appropriate relationships with Government personnel during the Source Selection activities. Information will be provided on how the selection process is implemented at MSFC and discuss the roles and responsibilities of the involved organizations.

**This course overview is aimed at giving small businesses knowledge to facilitate their involvement as either the prime or as a subcontractor/teammate.**

## SESSION II- Government / Contractor Relations in Contract Administration

Wednesday, April 27, 2016 – 1:00 PM – 4:00 PM

Emil and Brad will provide attendees with a review of the complex contract challenges that affected the Space Shuttle's External Tank Project during the last years of the Shuttle Program and how effective business was conducted during times of stress and uncertainty? The class will also include lessons learned on contract administration, contract authority, and dealing with both internal and external partners.

**The course overview is constructed for contract professionals and program, project, and technical personnel involved in contract performance.**

225 Church Street, Huntsville 35801**

**SPEAKERS: EARL PENDLEY**, retired NASA Contracting Officer. Mr. Pendley completed over 31 years in Federal contracting in May 2015. During his career he served as the procurement voting member on three major Source Evaluation Boards (SEBs) and was a key acquisition manager for the Constellation, Space Launch System, and Space Shuttle Transition and Retirement Programs.

**EMIL POSEY**, completed over 45 years of military and civilian service with his retirement in 2013. During his time at MSFC he supported Space Shuttle projects at Marshall from STS-26 (post-Challenger return to flight) through the close of the Space Shuttle Program in July 2011 and the subsequent contract closeout.

**BRAD CARTWRIGHT**, completed over 33 years in Aerospace Contracts/Configuration and Data Management with the Lockheed Martin Corporation (LMC). Mr. Cartwright retired in 2011 as the Director of Contracts/Configuration and Data Management for Human Space Flight.

The Small Business Development Center at the University of Alabama in Huntsville is a member of the Alabama SBDC Network. Funded in part through a Cooperative Agreement with the U.S. Small Business Administration. Reasonable accommodations for persons with disabilities will be made if requested at least two weeks in advance. Contact Magdaline Braxton, UAH SBDC, 225 Church Street, Suite 319, Huntsville, AL 35801. 256.824.6422.
