May 30, 2013 – 9:00 – 10:30
Calhoun County Chamber of Commerce
1330 Quintard Avenue – Anniston, Alabama

No fee to attend – To reserve a seat call (256) 782-5271 or (256) 831-5215

The way we communicate and run our businesses changes often. This program will explain how technology can improve business efficiencies and how applications allow us to stay at the forefront of that change.

Speaker: Jeff Keese, Solutions Architect, B2B Resource Center, Verizon
