2013 Governmental Accounting and Auditing Update

The *Governmental Accounting and Auditing Update* is designed to provide its participants with a comprehensive, in-depth review of what's happening at the GASB, AICPA, GAO and OMB, including GASB Statements and Interpretations, Statements on Auditing Standards, Auditing Interpretations, Audit Guides, Statements of Position, exposure drafts and projects in progress, with emphasis on the practical application and impact on practitioners in small to medium sized firms and members in government.

Experience/Prerequisites: Minimum to intermediate level of government/auditing experience.

Who should attend: Partners and managers responsible for planning and supervision of governmental engagements, audit staff members who need to understand the changes which have occurred to enable them to conduct governmental engagements, and persons in government responsible for accounting, financial statement preparation, and internal audits.
