**ADVANCE REGISTRATION REQUIRED**  
(Seating is Limited)

Participants will receive lecture/instruction followed by scenario-based training. Topics covered include:

1. Breaking down a solicitation
2. Developing a proposal preparation outline
3. Coordinating proposal sub-parts for completion
4. Writing the technical volume
5. Writing the past performance volume
6. Conducting the in-process review meetings
7. Completing the cost volume
8. Pulling the proposal together

The scenario-based training will provide participants an opportunity to experience the various steps and stages in developing a complete proposal. For purposes of the training, the background and qualifications of the fictitious company used will be relatively simplistic; however, all objectives in the proposal preparation process will be covered. **Bring your laptop computer** (not a requirement).
