Are you having a difficult time obtaining working capital for government contracts?

Do you want to increase your market visibility in the government procurement sector?

Would you like to gain market insights to help grow your small business?

Experts from *The Credit Junction* will be on hand to talk about working capital loans, alleviating working capital needs and cash flow problems, and decreasing overall borrowing time and funding costs.

Lead Presenter: Michael Finkelstein has been an operational and financial executive at primarily high-growth companies for the past 15 years. Currently, Michael is the CEO & Founder of The Credit Junction, a technology-enabled, online marketplace lending platform focused on providing working capital and supply chain financing solutions to industrial & manufacturing small and mid-size businesses. Prior to starting The Credit Junction, Michael has co-founded and/or held COO & CFO positions across companies within the media, financial services and infrastructure industries. Michael started his career in corporate finance at Salomon Brothers.

Assisting: Sergio Rodriguera, Jr. is currently the Chief Strategy Officer of The Credit Junction where he oversees the strategic initiatives of the company. Prior to joining The Credit Junction, Sergio was most recently a Professional Staff Member on the Committee on Financial Services. Previously he worked for House Majority Leader Eric Cantor and was Special Advisor at the Department of Treasury. He is also a Navy Reservist supporting the Deputy Chief of Naval Operations at the Pentagon.

Reasonable accommodations for persons with Disabilities will be made if requested at least two weeks in advance. Contact: Magdaline Braxton, Staff Assistant, 301 Sparkman Drive, Huntsville AL 35899 (256-824-6422).
