This annual seminar was developed twenty years ago to provide a high quality and affordable day of professional development and networking for accounting professionals from throughout Alabama and neighboring states. It is a chance for the accounting community to gather and learn about trends and procedures, directly from the experts. In addition to providing an excellent source of continuing education, a share of the funds generated to the IMA by the Forum are specially designated to be used in the scholarship program. The Muscle Shoals Chapter of the IMA awards a scholarship annually to a deserving senior accounting student at the University of North Alabama.
