THE INS & OUTS OF DIGITAL SLR CAMERAS

If you are interested in buying and learning to use a digital SLR camera, this is the course you need. Why pay all that money on a nice camera if you're going to leave it on automatic? This course centers on learning the camera itself: Camera Settings-aperture, shutter speed, program, manual, zone modes, and metering modes; Lenses- normal zoom, wide angle, telephoto, macro, and fish-eye; Flashes- internal, external, fill flash, and ambient light; Filters- UV, Circular Polarizer, diffuser, and neutral density; Tripods, monopods, printers, and photo paper. Items to bring to class: Digital SLR camera (if you have one), lenses, memory card, and camera manual.

CONTINUING EDUCATION UNITS

The Continuing Education Unit (CEU) is a nationally recognized method for noting non-credit Continuing Education participation. One CEU is awarded for each 10 hours of participation. Some programs carry other professional acknowledgements. Certificates of attendance listing the number of CEUs and other approved hours will be available.

Non-credit courses are subject to cancellation if there is insufficient enrollment. UNA Continuing Education apologizes for any inconvenience this may cause you. In the event a course is cancelled, a registrant has the option of applying the fees paid to another course or receiving a complete refund.

The SBDC at University of North Alabama is a part of the Alabama SBDC Network. Funded in part through a cooperative agreement with the U.S. Small Business Administration. Reasonable accommodations for persons with disabilities will be made if requested at least two weeks in advance.
