This conference is an annual event that’s designed to foster business partnerships between the federal and corporate governments; their prime contractors, small, minority, service-disabled veteran-owned, veteran-owned, HUBZone, and women-owned businesses. Now in its 6th year being co-sponsored by Hyundai Motor Manufacturing Alabama, the Procurement Conference and Matchmaker has become the premier event for small businesses throughout the state of Alabama.

Attending small businesses will be given an opportunity to present their “*Capabilities Pitch*” to showcase their products/services directly to procurement representatives and small business specialists from government and corporate agencies.

The conference will include presentations by resource partners; plus educational sessions such as: “what primes are looking for in subcontractors”; and “the benefits of Mentor Protégé relationships”. Following lunch, there will be *pre-selected* and *open* matchmaking sessions as well as networking opportunities.

Registration fee- \$25.00. Mail/pay by check to: ASU SBDC, 915 S. Jackson St., Montgomery, AL 36104
